

We make a difference in our community

Over the years, One Link Mortgage has focused on giving back to the community by supporting charities and raising awareness. Each year, One Link selects four charities, which focus on a wide range of causes, to support. One of the highlights for the team was working with VERICO Helping Hands to surprise a special young girl from the Children's Rehabilitation Foundation, with a VIP trip to Toronto to watch her favourite hockey team, the Winnipeg Jets, play a game.
