Brand Recognition within the Industry

RMG Mortgages BDM - Shane Lapointe:

I have been dealing with One Link Mortgage for the past 18 years, and find them to be a very professional, ethical brokerage, who value their client and lender relationships. They value broker education, with a consistent focus on product knowledge, and lender efficiencies. I look forward to many more years of this strong relationship.

Home Trust BDM - Darryl Bazylo:

The One Link group is, without a doubt, one of the leaders in the Mortgage Industry. The team is built with skilled and efficient brokers, who strive to make sure they find the right mortgage for each individual, and we are always extremely pleased to be a part of that process. A great company, filled with outstanding agents.

Access Credit Union BDM - Deanne Robinson:

I love working with the mortgage brokers at One Link Mortgage. They are a very professional and well-organized group.

Merix Financial BDM - Corey Cox:

One Link mortgage is a highly respected mortgage brokerage in the Winnipeg/Manitoba area both with end user clientele and lender partners like Merix Financial. Integrity and trust are something you can expect when dealing with this brokerage. Professionalism and customer service are at a high level when dealing with all of their agents. I highly recommend One Link Mortgage as a solid choice for broker employment and clientele mortgage transactions.
